PROFESSIONAL EXPERIENCE

Freelance Web Developer, Toohill Consulting January 2024 – Present
Assist in the development and maintenance of various Toohill Consulting client websites.

- Test and deploy code within various production environments.
- Create and manage Content Security Policies for websites.
- Develop UIs based on client mockups.
- Complete assigned tasks in a timely manner according to task deadlines and urgency levels.

Web Development Internship, Janko's Little Zagreb August – October 2023
Design and develop the Janko's Little Zagreb client-facing website and a secure manager portal. Find a solution that is more economic than current website setup.

- Work with stakeholders to determine website and portal requirements.
- Design UI using Figma and Adobe Illustrator and Photoshop.
- Develop UI and backend using Django and Wagtail CMS.
- Procure and implement production hosting, database, and payment portal solutions.

Shop Manager, Brownsmith Studios 2021 – 2023
Fabricate high-end custom furniture, slab tables, and various architectural pieces for commercial and residential clients.

- Supervise 2 interns and help instruct them in woodworking, shop maintenance and safety, and operating CNC machine.
- Collaborate on 2+ projects monthly ranging from custom slab-tables to commercial business redesigns.
- CNC technician. Operate and occasionally program an AVID CNC machine including maintenance and troubleshooting.
